Dipti Singh (MMS HR 2019-21)

TIMSR has got the best infrastructural facilities and brilliant faculty and has always believed in helping and guiding its students. The faculty members are student friendly and approachable in nature, they make sure that all the sessions are interactive and interesting. The institute focuses on our all round development and not just academic development.

Vishal Thakur (MMS FINANCE 2019-21)

TIMSR has given a great opportunity for students to broaden their knowledge beyond their field of studies within a multicultural environment. The friendly attitude of the professors and their willingness to always offer a helping hand has made me feel a part of the TIMSR family. TIMSR has helped me to develop a positive attitude towards my life & decision-making capacity in all aspects of my career.

Karan Suvarna (PGDM FINANCE 2019-21)

My journey in TIMSR has been the most amazing for my personality development. Everything that I had identified for my development is getting covered and is helping me distinguish myself from my past-self. TIMSR is nurturing its students to face the corporate sector and I am thankful to all the teaching and non teaching staff for providing us a transformative experience.

Roshan Karkera (PGDM HR 19-21)

It has been almost half a year since joining TIMSR and to be honest it has been a roller coaster all the way. I never imagined that college can become an integral part of my life. I have learnt so many things and seen studies in a different way. I am thankful to TIMSR for this opportunity.
