15. Multidisciplinary / interdisciplinary

TIMSR was established in the year 2002 under the aegis of Thakur Education Group to promote quality holistic education for all. It is governed by a board of trustees with Chairman at the helm of affairs and Governing Council, Advisory Board and College Development Committee giving key inputs. CEO, CFO, COO & Director look after the smooth functioning of the organization. The ideology of the institute is reflected in its Vision & Mission.

Vision

The vision of the Institute is "To Emerge as a world class management institute imparting multifaceted management training with a passion for excellence."

Mission

- To inculcate an attitude of continuous learning, strong social commitment and ethical values in the students.
- To provide an enabling environment for nurturing mindful leaders

and entrepreneurs.

Vision and mission of the Institute is designed to serve the needs of VUCA world imparting holistic value-based education, thereby nurturing mindful leaders.

TIMSR is approved by AICTE, Government of Maharashtra and affiliated to University of Mumbai. Under the realm of University of Mumbai the institute offers post graduate program in MMS, MFM, MMM, MHRDM and MIM. The curriculum for MMS, MFM, MMM, MHRDM and MIM programmes is designed by the university and followed by the institute. The curriculum integrates Knowledge, Skill and Attitude (KSA) approach in delivery and includes field projects & internships. Feedback on Programme curriculum design is taken from stakeholders and shared with members of Advisory Board who provide inputs which are approved by Governing Council Members. Based on the feedback received from various stakeholders, the institute offers value added / bridge courses such as Emerging Trends in Finance / Marketing / Human Resource, Universal Human Values, Design Thinking and Personal Grooming for holistic development of students.

In order to achieve the objectives of holistic multidisciplinary education as per New Education Policy (NEP), the institute organizes conclaves where eminent speakers from industry are engaged in the panel discussion to discuss the current issues. In past few years, institute had conducted conclaves on topical themes such as 'Changing Paradigm on Emerging Financial Markets', Green Business Practices for Sustainability and Online Streaming (OTT) ; Roadmap to Future. The institute prepares the programme calendar in line with the academic schedule of the affiliating university to plan and organize curricular and other activities. The institute motivates and supports students to participate in curricular and other activities organized by other institutions or organizations. Bridge courses, guest lectures, seminars, workshops, value added courses, experiential learning, project-based learning, global immersion programme, industrial visits are some of the measures adopted to provide an enriched learning experience.

Multifaceted Training: The institute offers various courses, training programmes, certifications, bridge courses, guest speaker series, field visits, internships, global immersion programmes etc. in association with industry & academic partners to foster all-round development and excellence.

Continuous Learning, Social Commitment and Ethical Values: All academic and co-curricular activities have a learners' centered

approach. The institute has incorporated various specialized courses like Universal Human Values, Indian Ethos in Management to further inculcate a sense of social responsibility in the new-age managers and leaders. Along with myriad co-curricular activities, institute has Social Responsibility cell that conducts a year-round activities for upliftment of neighbouring community and society, in tune with the institutional values.

The institutional plans to engage in more multidisciplinary research endeavours to find solutions to society's most pressing issues and challenges. The Sponsorship for Higher Studies and Sponsorship for Seminar / Workshop / Conference / Paper Presentation policies is revised to encourage faculty and students to do multidisciplinary research. These policies allows various benefits to faculty like special leave for PhD studies, flexibility in meeting guide, for data collection and visiting the libraries. Sponsorship for attending conferences and workshops motivates the faculty members to participate in such developmental activities. A well-established research cell is established to create a conducive environment for pursuing further research.

Dedicated library hours are allocated in the weekly schedule to help faculty members to balance their various academic commitments. The institute has membership of EBSCO e-books, J-Gate and many other E-resources. FDPs are also organized to guide the faculty members for writing quality research papers.

16.Academic bank of credits (ABC):

The institute is affiliated with the University of Mumbai and follows the guidelines from the university. The institute has taken various initiatives to fulfill the requirements of Academic Bank of Credits such as, Implementation of Credit based choice system, introducing the bridge courses and so on.

The institute offers flexibility in curriculum development of bridge courses where faculty members are encouraged to design their own curriculum and pedagogical approaches. Institute also encourages students and faculty members to pursue courses from Swayam / NPTEL and other MOOC platforms.

Institute is accredited with NAAC A+ and MMS Program has been accredited by NBA, which opens collaboration with International Universities and leading industries. The institute has MOUs with National and International organizations to promote internationalization of education.

As and when the university issues notification, the institute will register itself on Academic Bank of Credit.

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The curriculum for MMS and Part-Time programme laid down by the University of Mumbai is followed by the Institute. Programme calendar is prepared in line with UoM, AICTE and DTE. Courses are allocated to the faculty members as per their expertise. Time-Table and Semester Plan is prepared well before the start of the academic year for the effective execution. PO-CO mapping is done by the respective faculty and disseminated in the first session of each course. TIMSR adopts Knowledge-Skills-Attitude (KSA) approach in its delivery, which is an essential ingredient for the holistic development of the students to enhance employability. The pedagogy carries experiential and participative learning methodology right from the induction. Director and HoDs verify timely completion of the stated topics in documented semester plan and monitor attendance at regular intervals. The semester plan has the mechanism to get the students' validation on syllabus coverage. The Institute ensures the effective curriculum delivery through innovative teaching pedagogy and assesses the learning level by

continuous internal assessment for all the courses through concurrent evaluation conducted as described in the semester plan. At the end of the semester, the faculty members calculate the attainment level for the Course outcomes & Program outcomes.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The Institution ensures compliance to the Program Calendar (PC). During the pandemic scenario, Institute had adhered to the guidelines given by University of Mumbai while designing the program calendar. At the beginning of the academic year, program calendar is prepared by planning team in consultation with HODs, Key Result area teams are approved by the Director. The final copy is made available to all the stakeholders through Local Area Network(LAN). At the preliminary planning stage itself the entire institution activities are listed and incorporated in the program calendar. The program calendar provides dates for commencement & conclusion of the semester; it provides dates for the conduct of concurrent evaluation, mid-term examination & semester end examination, workshops, seminars & conferences, cocurricular and extracurricular activities.

This enables the faculty members and the students to space out their teaching and learning and regular assessment of the same. The Institute conducts internal examination assessments for all the courses through Concurrent Evaluation (CCE). The CCEs are conducted in evenly spaced-out intervals. All the faculty members prepare the semester plan as per the dates given in the planning calendar and adhere to it. The process of Concurrent evaluation commences normally after the completion of eight sessions out of total 32 sessions. Faculty members also orient the students about the frequency and dates of CCE. Compliance related to conduct of CCE is closely monitored by the HODs, Examination cell and Director and corrective actions are taken, if required.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Transparency initiatives at the TIMSR:

1. Parameters for evaluating internal assessment tools are discussed by the respective course faculty members with students beforehand. It includes the distribution of marks and the schedule of concurrent evaluation parameters.
2. Students & parents are notified about examination flow & examination policy in advance.
3. The institute forms Internal Squad Committee, Examination Committee for the smooth conduct of both Mid-Term & Term end examination as per University of Mumbai guidelines.
4. Program Outcomes & Course Outcomes to be achieved are discussed with students.

Process for conducting online Semester End Exams in MCQ and descriptive exam is discussed with students in meeting conducted

for orientation of online examination.

Robustness in terms of Frequency: At regular intervals, concurrent evaluation is conducted.

Robustness in terms of Variety: Faculty members have the liberty to choose concurrent evaluation parameters for their respective courses. Hence, students get a variety of concurrent evaluation parameters.

Mode of Exam: In A.Y. 2021-22, institute has conducted the exams through online mode with the help of Eklavya Software. In 2nd half of 2021-22, examinations were conducted in the offline mode.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The examinations have been conducted online with utmost care ensuring transparency and fairness.

1. The hall tickets are issued to the students well in advance. Any grievance related to the hall ticket is addressed by the examination cell.

2. Support System during exam: Helpline numbers were displayed on website for students to immediate connect with team for help in case of any technical glitch during online mode of exams. In any case of any grievance for attempting online examination, same was resolved by examination department on priority.

3. In the case of external examination, any grievance by the student is addressed by the examination cell. The student in need of help meets the COE in person and submits their application as per process and shares their grievance. The situation is then reviewed and solution is provided based on advice taken from HOI.

Students who are suspected of indulging in unfair means during the examination are given a chance to explain themselves in front of Unfair Means committee. Accordingly the report is prepared by the

committee. All grievances are solved keeping in mind the students sensitivity. The examination cell is dedicated to provide students with time-bound, transparent and efficient solutions for their examination-related grievances.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

Institute has adopted the outcome-based education system (OBE), also referred to as standards based education, which has helped the Institute to measure its learning outcome. Institute practices student-centric teaching and learning methodology in which the course delivery and assessment are planned to achieve stated Program Outcomes and Course Outcomes. Every first session of the course begins with faculty member, imparting the Vision, Mission, Programme Educational Objectives (PEOs), Program Outcomes (POs) and Course Outcomes (COs) to the students. The parents are made aware of these during the interactions with them at the time of student induction program, Parent Meet, etc., and through various other channels mentioned above. Before the first session, every faculty member is supposed to chalk out his/her session plan. While drafting the session plan, faculty member would read the COs and draft the session plan accordingly. For quick communication, these are available on the intranet as well as on the website of the institute. After the session plan is finalized, the domain head would see the plan and give the inputs if required. The faculty members use rubrics in all types of assessment and evaluation.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Assessment of Program Outcome (PO) is through Course Outcome (CO). Assessment tools for evaluation of Programme outcomes are divided into two categories - Direct and Indirect assessment tools. In calculating POs, 70 % weightage is given to Direct Assessment (Summative) and 30 % to Indirect Assessment (Formative) methods. The Direct Assessment is calculated through COs assessment. Direct methods bring forth the students' knowledge and skills acquired through their performance in the various assessment components. There are various tools to assess students' performance such as semester-end examinations, periodical tests, assignments, presentations and case study analysis. The direct assessment is done every semester i.e., twice a year. While direct assessment takes the inputs from student assessments, indirect assessment takes the inputs from stakeholders. Indirect tools to calculate attainment level act as an input to calculate the program outcome based on stakeholder involvement. To calculate program outcome from indirect methods such as Student Exit survey, Employer survey and Alumni survey form is filled by respective stakeholders. After the collection of feedback, data is collated and analysed for the attainment of Program Outcome levels.

3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The Social Responsibility Cell 'SAMVEDNA' routinely conducts activities that promote social well-being through charitable work like blood donation camps, Tree plantation drives, Mask Making and

Distribution Activity, Session on E-waste, gender sensitivity workshops etc. These activities are conducted in collaboration with NSS units of various institutes and NGOs. In the academic year 2021-2022, students conducted sessions on knowledge enhancement for underprivileged and semi-vernacular medium students of different schools.

The objectives of these activities are to:

1. Identify the requirements and issues of the community and involve the students in problem solving processes.
2. Develop a sense of social and community responsibility.
3. Acquire leadership qualities.
4. Develop the life skills

All these activities create a favorable impression on the students and strengthen the student community relationship with enhanced leadership skills and communication skills etc.

In the academic year 2021-2022, institute conducted various extension activities like Mask Making & distribution, Tree Plantation, Blood Donation camp in collaboration with NSS, Knowledge enhancement program in collaboration with Kotak Education Foundation (NGO), E-awareness session on E-Waste Management on the occasion of "Mahatma Gandhi Jayanti" etc.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Vision of the Institute is "To emerge as a world-class management institute imparting multifaceted management training with a passion for excellence."

Mission of the institute are as follows:

- To inculcate an attitude of continuous learning, strong social commitment and ethical values in the students.
- To provide an enabling environment for nurturing mindful leaders and entrepreneurs.

TIMSR inculcate in its students an attitude of continuous learning of management education by providing world class teaching infrastructure, by experienced faculty members, providing multifaceted training and by instilling values through social activities.

Continuous Learning, Social Commitment, and Ethical Values: All academic and co-curricular activities have a learning approach. A sense of social responsibility is added in the new-age managers and leaders through various courses.

Mindfulness helps students to learn to be on purpose, in the present moment and non-judgmental in their life supported by daily meditation sessions.

Critical thinking, creativity and innovation are facilitated through embedded courses as well as through the TIMSR Centre for Entrepreneurship and Innovation.

Perspective Plans of the Institute are documented by the Governing Council.

The governance in the institution is as per the organization's structure. Teachers participate in the decision-making bodies (CDC, IQAC etc) of the institution.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The Institute is governed by the Board of Trustees & headed by the Chairman of the Board with review and recommendations from the Governing Council for the smooth functioning of the institute. The Director and HODs have various & varying academic and financial powers delegated to them for implementation of the decisions.

The institute practices decentralization and participative management through a well-defined structure of Governing Council, Advisory Board, CDC, IQAC, Director, HODs and Faculty in charge of Key Responsibility Areas. Students too have representation in cells/committees leading to collective decision making. Roles and responsibilities of people at all rungs of the hierarchy are pre-decided and are included in the ISO manual as well. TIMSR administration is as per the organization chart.

Several bodies as mentioned below are formed to review the effectiveness of the activities carried out on the campus and Key Responsibility Areas are designed and faculty and staff are deputed to oversee the functioning of these activities:

Ø Heads & Deputy HoDs

- Ø Faculty in-charge of KRAS
- Ø Faculty members of the CDC
- Ø Faculty members of the IQAC
- Ø Faculty members of the Library Committee
- Ø Faculty members of the statutory committees
- Ø Faculty members of various Cells and Committees

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The institute has designed and implemented 'Performance Review and Development Planning (PRDP)' system to review and evaluate employee performance. The PRDP Format is devised on the basis and requirements of various statutory bodies and the assessment is done twice a year. The faculty members submit the duly filled 'Faculty Diary' to the HOD for assessment. After review, HOD mails the observations to the faculty concerned along with areas for improvement and recommendations, if any. The feedback received from students is given due importance and if the percentage of satisfaction is below 75%, corrective action is taken by the HOD in consultation with the Director.

The key features of the system are as follows:

- Biannual frequency to ensure efficacy
- Constructive real-time feedback through weekly departmental meetings
- 3-level analysis: Self, HOD, Director
- Transparency in evaluation

Following are the heads of PRDP:

- Teaching - Learning Process and Research

- Student Mentoring and project guidance
- KRAs & Contribution to Institutional development

Performance Assessment of Staff: - Staff appraisal is done biannually and the evaluation is based on delivery of assigned tasks, compliance with the Code of conduct, general behaviour, attitude, communication, punctuality, and willingness to participate in additional areas and activities.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

The institute has a mechanism for internal and external audits.

INTERNAL AUDIT: Internal audit is carried out as an ongoing continuous process to check the financial process taking into consideration entire recurring, non-recurring income and expenditure of the Institute each year. Institute has defined structured reporting, review and monitoring process to keep the management informed suitably about the inflow of fees and outflow of funds. It is ensured that all the requirements for submission of detailed accounts to the external auditors are compiled and all expenditures are continuously monitored with respect to the utilization of expenditure with sanctioned Budget.

EXTERNAL AUDIT: The institute's financial statements are audited and certified by external qualified auditors. The external auditors thoroughly audit the financial statements for all regulatory and statutory compliances. All the audited reports are available on the website of the institute to promote transparency. External Auditors ensures the verification of all assets, liabilities and provisions.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

TIMSR is a self-financing institute. Hence, the mobilization of funds is mainly based on the tuition and development fees received from the students. The institute prepares the budget estimate to meet the above expenditure including the requirement of the departments. The funds' requirements to run the institute as per desired quality and standard are worked out and the amount of fee to be charged from the students is fixed as per norms. Based on the estimated total fee collection and the revenue from other sources, the Institute prepares budget estimates (Income & Expenditure) for submission to the Management for approval. Institute ensures 100% admission for mobilization of fees. In case the essential expenditure of the institute exceeds the revenue, the management meets the deficit from the Trust / Bank OD facility. Institute takes care to incur expenditure judiciously. The salary and allowance statements are checked by the Director before releasing of payment. Bills and vouchers for maintenance etc. items are checked by the concerned unit before the release of funds. There is a well-designed process for purchase by inviting

quotations and by buying items of the required quality. The statement uploaded shows the optimum utilization of funds by the institute.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The IQAC was set up in TIMSR in July 2018 to take quality initiatives and to improvise its strategies and processes with a focus on continuous progress. Two such activities institutionalized in A.Y. 2021-22 are:

1. Seminar on 'Quality Enhancement in Higher Education':- TIMSR conducted a Two-Day 'NAAC Sponsored Seminar' titled "NAAC Accreditation in New paradigm: A Key to Quality Enhancement in Higher Education" for the academicians and industrialists on April 21-22, 2022. The seminar focused on Role of Industry in Designing and Delivering the Curriculum, Revised NAAC Accreditation Process and Procedures, Role of IQAC and Strategies to be adopted by IQAC for Quality Improvement in Higher Education.
2. Quality Improvement Programmes on Digital Skills for Faculty

Under the quality initiative a 7 days FDP on "Data Analysis Using R", was conducted from June 24-30, 2022. The topics discussed during the FDP were Introduction to R and R Studio Data Management, Graphical Representation of the Data, Hypothesis Testing and Normality Testing, ANOVA and Regression Analysis, Parametric Test and Non-Parametric Test.

3. Continuing Management Education was conducted on the following areas:

'Excel in Workplace" on April 25, 2022.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

To accomplish a continuous improvement, IQAC conducts a meetings in every Quarter. The institute reviews the teaching learning process and structures & methodologies of operations. A lot of focus is given on the value addition of students with a continuous attention on their overall development. Also, continuous updation of faculty members is done to improve quality of teaching. In view of this, IQAC has brought in the following reforms:

1. Introduction of Value addition courses for MMS students:

2. Seminar/Workshops on Quality Enhancement in Higher Education - During the A. Y. 2021-22, TIMSR conducted 7-day faculty development program on "Data Analysis Using R", from 24th June to 30th June 2022.

3. TIMSR organized a Certification Program on "Advance Excel" for the Students of MMS Semester-III from 31st January 2022 to 13th February 2022. In the advanced excel training, students also learned basic techniques including how to use text functions, organize data by sorting and filtering, analyze complex data, and effectively present data in several chart formats.

4. Publication of students' research paper- To enhance the research and analytical skills of students, students were encouraged to write research papers. Faculty members worked as a mentor to the students.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

1. KSA Approach in Teaching Learning

TIMSR is bridging the curriculum gap through its Knowledge-Skills-Attitude approach in teaching-learning which leads to the holistic development of the students.

TIMSR adopts the KSA approach in its delivery which is an essential ingredient for the holistic development of the students to enhance functional ability and employability. The pedagogy carries experiential and participative learning methodology and faculty members adopt unique instructional mechanism, KSA approach incorporated in every course. The attitude component is developed not only through courses but is interwoven with each course components' delivery, events and activities such as guest lectures and experiential learning programs.

2. Daily Mindfulness Session

As the business landscape is becoming complex day by day, it brings a lot of challenges to the professionals. Daily Mindfulness Sessions is aimed at preparing the students to face the VUCA world and to observe situations with the stable mindset and take decisions wisely.

The volatile environment often leads to stress and leaves even the best leaders physically and emotionally drained. Mindfulness is the psychological process of bringing one's attention to experiences occurring in the present moment, which can be developed through the practice of meditation and other physical and mental exercises.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Institute mission statement focuses on mindful leaders- "To provide an enabling environment for nurturing mindful leaders and entrepreneurs." The institute has initiated green practice HTTC (Hourly Thought Traffic Control) to methodically incorporate the practice of mindfulness by making it a habit.

Implementation: TIMSR has introduced in its daily schedule 'Hourly Thought Traffic Control' - HTTC in which we sit still in erect posture in total silence for 60 seconds every hour like a detached observer of our thoughts that leads us to self-awareness. During this exercise, we remind ourselves and visualize our inner core values of knowledge (of 'I' the being), purity, love, peace, bliss, power and happiness. This enables us to look at every moment of life situations and people with a fresh perspective, thereby making us Mindful Leaders / Educators.

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The curriculum for MMS and Part-Time programme laid down by the University of Mumbai is followed by the Institute. Programme calendar is prepared in line with UoM, AICTE and DTE. Courses are allocated to the faculty members as per their expertise. Time-Table and Semester Plan is prepared well before the start of the academic year for the effective execution. PO-CO mapping is done by the respective faculty and disseminated in the first session of each course. TIMSR adopts Knowledge-Skills-Attitude (KSA) approach in its delivery, which is an essential ingredient for the holistic development of the students to enhance employability. The pedagogy carries experiential and participative learning methodology right from the induction. Director and HoDs verify timely completion of the stated topics in documented semester plan and monitor attendance at regular intervals. The semester plan has the mechanism to get the students' validation on syllabus coverage. The Institute ensures the effective curriculum delivery through innovative teaching pedagogy and assesses the learning level by continuous internal assessment for all the courses through concurrent evaluation conducted as described in the semester plan. At the end of the semester, the faculty members calculate the attainment level for the Course outcomes & Program outcomes.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The Institution ensures compliance to the Program Calendar (PC). During the pandemic scenario, Institute had adhered to the guidelines given by University of Mumbai while designing the program calendar. At the beginning of the academic year,

program calendar is prepared by planning team in consultation with HODs, Key Result area teams are approved by the Director. The final copy is made available to all the stakeholders through Local Area Network(LAN). At the preliminary planning stage itself the entire institution activities are listed and incorporated in the program calendar. The program calendar provides dates for commencement & conclusion of the semester; it provides dates for the conduct of concurrent evaluation, mid-term examination & semester end examination, workshops, seminars & conferences, cocurricular and extracurricular activities.

This enables the faculty members and the students to space out their teaching and learning and regular assessment of the same. The Institute conducts internal examination assessments for all the courses through Concurrent Evaluation (CCE). The CCEs are conducted in evenly spaced-out intervals. All the faculty members prepare the semester plan as per the dates given in the planning calendar and adhere to it. The process of Concurrent evaluation commences normally after the completion of eight sessions out of total 32 sessions. Faculty members also orient the students about the frequency and dates of CCE. Compliance related to conduct of CCE is closely monitored by the HODs, Examination cell and Director and corrective actions are taken, if required.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The institute conducts special programs for students by evaluating their learning levels. The slow learners are identified, based on midterm examination scores (minimum 50 %). Advanced learners for semester I, are identified based on their cumulative mid-term scores. For semesters- II and III it is based on cumulative scores of the semester-end examination.

Advanced learners are provided opportunities and challenging roles such as:

- To participate and organize Conferences and Seminars and present papers.
- Institute's international tie-ups help aspiring students to pursue higher certifications with foreign institutions.
- Opportunity to become members of various cells and committees.
- On-duty leaves to encourage participation in external events.
- Special mentoring session conducted for the advanced learners by alumni.

Special programs provided to Slow Learners to cope up with any challenges is as below:

- Special Induction program is arranged to orient the students on the courses.
- Institute has a proactive and well-established mentoring system for all and particularly to guide and support the slow learners.

- Remedial classes are organized to strengthen their conceptual foundation.
- Training sessions to enhance their communication skills.
- Need based domains-specific placement preparedness session

The Daily Mindfulness Sessions (DMS) and Hourly Thought Traffic Control (HTTC) to maintain their mental & emotional well-being.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Institute provides students an enabling environment for nurturing mindful leaders and entrepreneurs. This is achieved through experiential learning, participative learning, and problem-solving methodologies.

Institute provides experiential learning platforms through following various activities:

- Live Projects on current corporate practices
- Field visits, industrial visits
- SIP work in industries and learn practical aspects of management concepts

- Dissertation on social relevance, functional and general management

- Institute conducts DMS (Daily Mindfulness Sessions) as a green initiative. This approach contributes to sustainable development instilling human values in the students.

Participative Learning:

- Institute motivates students to participate in various events and competitions and in-house activities like fest, social responsibility, conclaves, conferences, mock GD sessions, participative sessions, placement centric sessions etc. In such activities, they develop a team-building approach, which enhances their collaborative and participative learning skills.

- Institute implements innovative tool for learning assessment through Concurrent Continuous Evaluation parameters. It includes news analysis, role-plays, small group activities, debates, case studies, etc.

- Representation to various cells and committees enhances students' understanding of the relevant issues as well as improve their collaborative decision-making skills.

Problem Solving Methodologies: Case study pedagogy, live projects, conclaves, conferences focus on problem-solving methodology, Use of Flipped Class Room

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Institute facilitates the following ICT enabled tools for effective teaching-learning process:

- **Classrooms:** Modern IT facilities are provided for the teaching purpose, mainly equipped with Desktops, wired LAN and internet, requisite processing software, white

boards, Audio/ Video (A/V) systems and EPSON HD Overhead Projectors (EPSON HD OHP), Interactive Projector with Smart Pen, soft boards, and AV system (mike, amplifier, speakers, and projectors)

- Video conferencing facility with a touch panel, recording and live streaming, CCTV
- The Library Management System (KOHA Software) is running with UBUNTU server. Digital library is comprised of 10 systems with internet connection with Wi-Fi. The scanner and printer also installed in the library.

Faculty members used the above IT infrastructure for effective teaching-learning process:

- Used PPTs, Videos and other relevant materials.
- Use of software and online tools for evaluation
- Use of Google Classroom to assign and submit assignments and upload the study material for ease accessibility.
- Institute has licensed ZOOM software for conducting online classes, workshops, seminars.

Institute encourages the research environment among the faculties and students with the help of ICT tools and research software.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Transparency initiatives at the TIMSR:

1. Parameters for evaluating internal assessment tools are discussed by the respective course faculty members with students beforehand. It includes the distribution of marks and the schedule of concurrent evaluation parameters.
2. Students & parents are notified about examination flow & examination policy in advance.
3. The institute forms Internal Squad Committee, Examination Committee for the smooth conduct of both Mid-Term & Term end examination as per University of Mumbai guidelines.
4. Program Outcomes & Course Outcomes to be achieved are discussed with students.

Process for conducting online Semester End Exams in MCQ and descriptive exam is discussed with students in meeting conducted for orientation of online examination.

Robustness in terms of Frequency: At regular intervals, concurrent evaluation is conducted.

Robustness in terms of Variety: Faculty members have the liberty to choose concurrent evaluation parameters for their respective courses. Hence, students get a variety of concurrent evaluation parameters.

Mode of Exam: In A.Y. 2021-22, institute has conducted the exams through online mode with the help of Eklavya Software. In 2nd half of 2021-22, examinations were conducted in the offline mode.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

The examinations have been conducted online with utmost care ensuring transparency and fairness.

1. The hall tickets are issued to the students well in advance. Any grievance related to the hall ticket is addressed by the examination cell.

2. Support System during exam: Helpline numbers were displayed on website for students to immediate connect with team for help in case of any technical glitch during online mode of exams. In any case of any grievance for attempting online examination, same was resolved by examination department on priority.

3. In the case of external examination, any grievance by the student is addressed by the examination cell. The student in need of help meets the COE in person and submits their application as per process and shares their grievance. The situation is then reviewed and solution is provided based on advice taken from HOI.

Students who are suspected of indulging in unfair means during the examination are given a chance to explain themselves in front of Unfair Means committee. Accordingly the report is prepared by the committee. All grievances are solved keeping in mind the students sensitivity. The examination cell is dedicated to provide students with time-bound, transparent and efficient solutions for their examination-related grievances.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

Institute has adopted the outcome-based education system (OBE), also referred to as standards based education, which has helped the Institute to measure its learning outcome. Institute practices student-centric teaching and learning methodology in which the course delivery and assessment are planned to achieve stated Program Outcomes and Course Outcomes. Every first session of the course begins with faculty member, imparting the Vision, Mission, Programme Educational Objectives (PEOs), Program Outcomes (POs) and Course Outcomes (COs) to the students. The parents are made aware of these during the interactions with them at the time of student induction program, Parent Meet, etc., and through various other channels mentioned above. Before the first session, every faculty member is supposed to chalk out his/her session plan. While drafting the session plan, faculty member would read the COs and draft the session plan accordingly. For quick communication, these are available on the intranet as well as on the website of the institute. After the session plan is finalized, the domain head would see the plan and give the inputs if required. The faculty members use rubrics in all types of assessment and evaluation.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Assessment of Program Outcome (PO) is through Course Outcome (CO). Assessment tools for evaluation of Programme outcomes are divided into two categories - Direct and Indirect assessment tools. In calculating POs, 70 % weightage is given to Direct Assessment (Summative) and 30 % to Indirect Assessment (Formative) methods. The Direct Assessment is calculated through COs assessment. Direct methods bring forth the students' knowledge and skills acquired through their performance in the various assessment components. There are

various tools to assess students' performance such as semester-end examinations, periodical tests, assignments, presentations and case study analysis. The direct assessment is done every semester i.e., twice a year. While direct assessment takes the inputs from student assessments, indirect assessment takes the inputs from stakeholders. Indirect tools to calculate attainment level act as an input to calculate the program outcome based on stakeholder involvement. To calculate program outcome from indirect methods such as Student Exit survey, Employer survey and Alumni survey form is filled by respective stakeholders. After the collection of feedback, data is collated and analysed for the attainment of Program Outcome levels.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The institute has designed and implemented 'Performance Review and Development Planning (PRDP)' system to review and evaluate employee performance. The PRDP Format is devised on the basis and requirements of various statutory bodies and the assessment is done twice a year. The faculty members submit the duly filled 'Faculty Diary' to the HOD for assessment. After review, HOD mails the observations to the faculty concerned along with areas for improvement and recommendations, if any. The feedback received from students is given due importance and if the percentage of satisfaction is below 75%, corrective action is taken by the HOD in consultation with the Director.

The key features of the system are as follows:

- Biannual frequency to ensure efficacy
- Constructive real-time feedback through weekly departmental meetings
- 3-level analysis: Self, HOD, Director
- Transparency in evaluation

Following are the heads of PRDP:

- Teaching - Learning Process and Research
- Student Mentoring and project guidance

• KRAs & Contribution to Institutional development

Performance Assessment of Staff: - Staff appraisal is done biannually and the evaluation is based on delivery of assigned tasks, compliance with the Code of conduct, general behaviour, attitude, communication, punctuality, and willingness to participate in additional areas and activities.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

TIMSR is a self-financing institute. Hence, the mobilization of funds is mainly based on the tuition and development fees received from the students. The institute prepares the budget estimate to meet the above expenditure including the requirement of the departments. The funds' requirements to run the institute as per desired quality and standard are worked out and the amount of fee to be charged from the students is fixed as per norms. Based on the estimated total fee collection and the revenue from other sources, the Institute prepares budget estimates (Income & Expenditure) for submission to the Management for approval. Institute ensures 100% admission for mobilization of fees. In case the essential expenditure of the institute exceeds the revenue, the management meets the deficit from the Trust / Bank OD facility. Institute takes care to incur expenditure judiciously. The salary and allowance statements are checked by the Director before releasing of payment. Bills and vouchers for maintenance etc. items are checked by the concerned unit before the release of funds.

There is a well-designed process for purchase by inviting quotations and by buying items of the required quality. The statement uploaded shows the optimum utilization of funds by the institute.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

1. KSA Approach in Teaching Learning

TIMSR is bridging the curriculum gap through its Knowledge-Skills-Attitude approach in teaching-learning which leads to the holistic development of the students.

TIMSR adopts the KSA approach in its delivery which is an essential ingredient for the holistic development of the students to enhance functional ability and employability. The pedagogy carries experiential and participative learning methodology and faculty members adopt unique instructional mechanism, KSA approach incorporated in every course. The attitude component is developed not only through courses but is interwoven with each course components' delivery, events and activities such as guest lectures and experiential learning programs.

2. Daily Mindfulness Session

As the business landscape is becoming complex day by day, it brings a lot of challenges to the professionals. Daily Mindfulness Sessions is aimed at preparing the students to face the VUCA world and to observe situations with the stable mindset and take decisions wisely.

The volatile environment often leads to stress and leaves even the best leaders physically and emotionally drained. Mindfulness is the psychological process of bringing one's attention to experiences occurring in the present moment, which can be developed through the practice of meditation and other physical and mental exercises.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Institute mission statement focuses on mindful leaders- "To provide an enabling environment for nurturing mindful leaders and entrepreneurs." The institute has initiated green practice HTTC (Hourly Thought Traffic Control) to methodically incorporate the practice of mindfulness by making it a habit.

Implementation: TIMSR has introduced in its daily schedule 'Hourly Thought Traffic Control' - HTTC in which we sit still in erect posture in total silence for 60 seconds every hour like a detached observer of our thoughts that leads us to self-awareness. During this exercise, we remind ourselves and visualize our inner core values of knowledge (of 'I' the being), purity, love, peace, bliss, power and happiness. This enables us to look at every moment of life situations and people with a fresh perspective, thereby making us Mindful Leaders / Educators.
