The Director,
Thakur Institute of Management Studies & Research, Mumbai.

Greetings from Kotak Education Foundation!

This is to inform you that eighteen students from Thakur Institute of Management Studies & Research have worked as a Volunteer in our organization Kotak Education Foundation (KEF), we are a NGO catering to the education and livelihood needs of the underprivileged section of the society.

We have partnered with 202 schools with several programmes such as; Spoken English (Umang), Health, Parvarish (Parent Intervention Program), GURU, LEAD and Scholarship programs like Udaan and EXCEL to bring about a change in the life of the students. The livelihood program Unnati , on the other hand caters to youth in the age group of 18 to 25.

These eighteen students have created content for “Knowledge Enhancement Activity” for 7th class students from our partner schools. They virtually conducted sessions for them from 1st Oct 2021 to 19th Dec 2021.

We would like to express our gratitude for the commendable contribution the students have made to our 7th class students. We want to personally thank you for your earnest support to guide our students.

We look forward to collaborating with you in the coming future.

Thanking you,
Best Regards,

Thomas Adaikalam.
